### Details about the Audi Club of North America (Canadian Chapters) Program:

**1. Eligibility**—Members of the Audi Club of North America (Canadian Chapters) who are in good standing for a minimum of 6 months may participate in the Audi Club of North America (Canadian Chapters) Program.

**2. How it Works**—Contact the Audi Club of North America office to request an Audi Corporate Partner discount certificate. Upon verification of your membership, the ACNA will provide you a .pdf certificate pre-printed with your name. Present the original, unaltered certificate along with proof of membership in the form of a valid membership card to a participating authorized Audi Dealer in Canada. When the Dealer verifies by reference and your identification that you are an eligible purchaser, the participating Dealer will sell the eligible vehicle to you with the applicable discount based on purchase type (see chart). The vehicle must be purchased and registered in the member's name. The discount may be applied to one vehicle purchase per member per 12-month period.

**3. Credentials**—Active members of the ACNA must provide the Audi Corporate Partner discount certificate and membership proof (ACNA card).

**4. Participating Dealers**—All Authorized Audi Canada Dealers are participants in the Audi Club of North America (Canadian Chapters) Program. Visit [www.audi.ca](http://www.audi.ca) for a complete listing of participating Dealers.

**5. General**—In general, unless there has been advance written notice to the contrary, all new and unused 2019 Audi vehicles (excluding all R8 models) are eligible. Vehicles may be sold at the Dealer's discretion from their stock or may be factory-ordered. Dealers are not required to sell you a vehicle from their stock that is in short supply; however, any vehicle offered under this program also may be factory ordered. Please be advised that Audi Canada may from time to time restrict the availability of certain vehicles under this program. In such cases, Audi Canada will inform participating Dealers in advance in writing of the terms of such restrictions or incentives, and the Dealer will have to comply with any such terms.

**6. Incentives**— Other applicable retail incentives may apply in addition to the association discount, depending on Purchase Type. Please see your local Audi Dealer for complete details.

**7. Claims**—Audi Canada has the right to audit all the records pertaining to this transaction. If Audi Canada finds that the purchaser violated any terms or falsified any documentation of Audi Canada's Audi Club of North America (Canadian Chapters) Program, Audi Canada may cancel purchaser's privileges and/or the association's privileges to acquire vehicles under any special Audi Canada programs and may, at its discretion, seek to recover any special benefits the purchaser received.

**8. Final Decision**—Audi Canada's decision is final in all matters relating to this program. Audi Canada has the right to amend or cancel this program at any time for any reason.

**9. Customer Contact**—Audi Canada collects personal information that you provide in order to improve our products and services and to offer you services, surveys or marketing material which may be of interest to you. For these purposes, Audi Canada shares your information with Audi Finance, your dealer and the dealer who has responsibility for the market area in which you reside. To review Audi Canada's privacy policy, you may visit [www.audi.ca](http://www.audi.ca) or call 1.800.822.2834.

**10. Duration**—The Audi Club of North America (Canadian Chapters) Program is effective as of January 3, 2019 and runs through January 2, 2020, based on delivery date. (In order to qualify for the Audi Club of North America (Canadian Chapters) Program discount, you must take delivery of your vehicle on or prior to program end date.)
